ABOUT THE GRENADIER

Introducing our custom Chelsea Truck Co. Ineos Grenadier, a Grenadier like no other. Meticulously reimaged by the design experts at ECD Auto Design in collaboration with Chelsea Truck Co, this vehicle blends the Grenadier's rugged, go-anywhere capability with couture-level craftsmanship and bespoke engineering. From purpose-built exterior body enhancements, unique wheel and tire packages, and precision-tuned suspension to a hand-finished interior with premium materials and tailored technology, every element has been refined to elevate performance, comfort, and presence. The result is a distinct, mission-ready SUV that stands apart on road or trails; engineered for owners who demand capability and individuality in equal measure.
